

Safeguarding.

I am the Parish Disclosure officer and the Child Protection Coordinator in the parish of St Michael and All Angels Maidstone.

I attended the Diocesan Safeguarding Conference in July and found out new ways to do my job.

At the moment I'm getting the Non DBS PCC Members to do the course of C1 which is a Diocesan Requirement, only 3 more left to complete this.

At the moment I am updating the Safeguarding Noticeboard.

Safeguarding at the Church can be found in the Church Website and in the Church Magazine.

If you feel you require a DBS please contact me.

GDPR

The file is up to date with Elizabeth giving me the Consent Forms from the Baptist families and weddings, this is so we can contact them in the future with there permission.

We must look at redoing the Church Directory as the previous one is out of date.
